### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Hayden on 6/13/2005.

The application has been amended as follows: In claim 116, line 2, the phrase "in claim 115" is replaced with "in claim 113".

### ***Allowable Subject Matter***

Claims 83, 86-94, 96- 97, 99, 101-109, 113, 116, 117, 119-124, 126, 128-136, 140, 141 and 152-165 are allowed.

The following is an examiner's statement of reasons for allowance: Ovesjo et al (US 6,108,369) discloses a system and method, as stated in the previous office action, of allocating codes from the tree shown in figure 2. However, Ovesjo does not disclose allocating the same spread code to two data channels as stated in claims 83, 86-94, 96-97, 99, 101-109, 113, 116, 117, 119-124, 126, 128-136, 140 and 141. Gourgue et all (US 6,560,194) discloses a system and method of allocating codes similar to the system

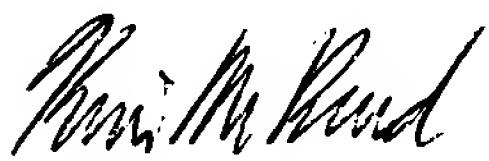

and method of Ovesjo. Claims 152-165 are allowed since these claims contain previously objected to subject matter and would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin M. Burd whose telephone number is (571) 272-3008. The examiner can normally be reached on Monday - Thursday 9 am - 5 pm.
